

## **Notice of Rights on the Decision of Deferred Prosecution**

1. You have received a decision of deferred prosecution. The prosecutor has closed the investigations and confirmed the criminal offense of the accused. The prosecutor decided to render a deferred prosecution, imposing specific burdens on the accused.
2. Availability for legal remedies for a reconsideration:
  - The prosecutor will actively submit the decision of deferred prosecution to the chief prosecutor of the supervising prosecutors office for a reconsideration.
  - The complainant may file a petition for a reconsideration, specifying the reasons, to the case prosecutor for submitting to the chief prosecutor of the supervising prosecutors office within ten days after receiving the decision of deferred prosecution.
  - No petition for reconsideration is permitted in this case
3. You may visit the Prosecutors Office's website for more information:
